The stock lies in the middle of a very wide and falling trend in the short term and further fall within the trend is signaled. Furthermore, there is a buy signal from the 3 month Moving Average Convergence Divergence (MACD). Volume is rising along with the price. This is considered to be a good technical signal.

**Lifeway Foods** finds support from accumulated volume at **\$12.51** and this level may hold a buying opportunity as an upwards reaction can be expected when the support is being tested.
