Tech commentaries:

The Schweitzer-Mauduit International Inc stock price gained 2.07% on the last trading day (Friday, 1st Apr 2022), rising from $27.52 to $28.09. During the day the stock fluctuated 5.36% from a day low at $26.89 to a day high of $28.33. The price has fallen in 6 of the last 10 days and is down by -7.9% for this period. Volume has increased on the last day along with the price, which is a positive technical sign, and, in total, 74 thousand more shares were traded than the day before. In total, 396 thousand shares were bought and sold for approximately $11.11 million.

The stock lies in the middle of a wide and falling trend in the short term and further fall within the trend is signaled. Given the current short-term trend, the stock is expected to fall -6.32% during the next 3 months and, with a 90% probability hold a price between $25.75 and $28.56 at the end of this 3-month period.

There are mixed signals in the stock today. The Schweitzer-Mauduit International Inc stock holds sell signals from both short and long-term moving averages giving a more negative forecast for the stock. Also, there is a general sell signal from the relation between the two signals where the long-term average is above the short-term average. On corrections up, there will be some resistance from the lines at $29.00 and $29.77. A break-up above any of these levels will issue buy signals. A buy signal was issued from a pivot bottom point on Thursday, March 31, 2022, and so far it has risen 2.07%. Further rise is indicated until a new top pivot has been found. Furthermore, there is a buy signal from the 3 month Moving Average Convergence Divergence (MACD). Volume is rising along with the price. This is considered to be a good technical signal.

RSI14 is 42 and the stock is currently not being overbought or oversold

Schweitzer-Mauduit International Inc finds support from accumulated volume at $27.52 and this level may hold a buying opportunity as an upwards reaction can be expected when the support is being tested. On the upside the stock meets some resistance just above today's level from accumulated volume at $29.17, $29.28 and $30.50.

This stock is usually traded at a good volume, and with minor daily changes, the risk is considered to be low. During the last day, the stock moved $1.44 (5.36%) between high and low. For the last week, the stock has had a daily average volatility of 4.26%.

Schweitzer-Mauduit International Inc holds several negative signals and we believe that it will still perform weakly in the next couple of days or weeks. We, therefore, hold a negative evaluation of this stock.
